## Pre-Operative Instructions

---

1. Your pet must be admitted between 8:00 and 8:30 a.m. the day of surgery.
2. No food 24 hours prior to surgery. No water 12 hours before surgery.
3. Remove flea collars.
4. Although minimal, realize there are risks involved in any surgery that requires an anesthetic.
5. Be sure to advise the doctor if there has been any previous history of complications from anesthetic or surgical procedures.
6. If you have questions, please advise the doctor before surgery.
7. If your pet is in heat, pregnant, or grossly overweight, there will be an additional fee due to the increased surgery time and additional anesthesia.

*I have read and understand the pre-operative instructions.*
